

The Condemnation of America

www.lostsheepizrael.org

You can feel a vibe throughout every city in Babylon, oopsp! I mean America today. A new sense of pride and achievement seem to lurk within the eyes of Black and Hispanic people alike. They seem to possess a astonishing glow that reflect from their smiles since the November 2008 election there is an oar that revolve throughout their communities that suggest “we have finally arrive” Many that used to move about with their heads down and anticipating the worst has higher hopes now and travel at 90 degrees in a upright position with their chest pointed outward and a smirk that seem to speak a language that whites are growing to detest. The language of pride. A language that say” I can rule in the land where our forefathers were slaves. Blacks in general worships their new Black Pharaoh and even has granted him such titles as “messiah”. As they continue to wallow under the spells of ignorance and false hope the secret government continues with its plan to distract the masses of blacks, Hispanics, and their white supporters that look to Obama as relief from this financial abyss. Little do they realize that there is a hidden hand that really control the world in which we live. They are, as most of the world blind to the startling reality that the president is a mere puppet controlled by Illuminated forces. Some people have referred to it as the "secret government" of the United States. This is not an elected body, it does not involve itself in public disclosures at all, the average citizen has no clue that it exist. This organization even has a quasi-secret budget in the billions of dollars. Sounds crazy? Yet only to the misinformed. This government organization has more power than the President of the United States or the Congress! You can believe it or not but you need to consider what I am revealing.

This invisible government has the power to suspend laws, move entire populations, arrest and detain citizens without a warrant and hold them without trial, it can seize property, food supplies, transportation systems, and can suspend the Constitution. (Suggestive reading “ Behold a pale horse by William cooper”) These agent are the 10 kings(powers) mentioned in **Revelation 17:12** “**And the ten horns which thou sawest are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast**” These are 10 European rulers from which derive the organizations that I am about to reveal. **The organization is called FEMA, which stands for the Federal Emergency Management Agency. This organization was Originally conceived in the Richard Nixon Administration, it was refined by President Jimmy Carter and finally Ronald Reagan and George Bush Administrations expanded it. This is all part of the illuminati. The Illuminati are extremely powerful, very wealthy men. They believe that they are the guardians of the secrets of the ages. They believe that the vast majority of people would not know what to do with the real knowledge and the real truth and the real science and would, in fact, misuse them all. I hasten to tell you black people Obama is merely a puppet. A puppet that will have his strings pulled by the invisible government that you know nothing of. You have placed your faith in a man when the Most High tell us not to place our faith in a man. Jeremiah 17: 5] “Thus saith the LORD; Cursed be the man that trusteth in man, and maketh flesh his arm, and whose heart departeth from the LORD”. All of you that have placed your faith in man does not walk with Yah (God). How can you call yourselves Christians and support a man that sit upon a throne and suggest homosexuals**

and lesbians are acceptable just to get their vote? How can you say that you are a God fearing man or woman and support a system that condone murdering the fruit of the womb (abortions)? This should only be allowed in cases such as raped. Yet we have wicked women that will go out and murder innocent children and feel they just took care of business. You should have considered the possibilities before lying down and should be rightfully charged with murder. It seem as if you will accept anything that may bring you revenue even if it's at the sacrifice of your own souls. You are a foolish people! Perhaps the system has deemed it time for a black face president to perhaps quail the masses and have someone to point the finger at in the demise of their economy. When will you people wake up? Only your faith in your God and your unity will save you not a wicked government under Satan's authority (USA). The illuminated ones **further believe that everything that they do is for the ultimate betterment and survival of humankind except for the least important of society "blacks and homosexuals". If it even means killing several billion people to reach their goals. Black people have you not determined who the targets are? Well let me help you out, it's you simple minded complicit Negros.**

The real power structure are agencies as the Trilateral Commission its "Seminal Peace," written for them by Harvard Professor Samuel P. Huntington in the mid '70s. I bet many of you did not know that in the paper Professor Huntington recommended that democracy and economic development be discarded as outdated ideas. This man wrote as co-author of the book The Crisis of Democracy, "We have come to recognize that there are potential desirable limits to economic growth. There are also potentially desirable limits to the indefinite extension of political democracy. A government which lacks authority will have little ability short of cataclysmic crisis to impose on its people the sacrifices which may be necessary."

I would like to Remind you or inform you because you most likely have no clue that George Bush was a member of the Trilateral Commission and he only resigned as an expediency to get elected as President . Bush believes wholeheartedly in the Commission and all that it stands for. Now you have elected a President who believes in democracy and economic development "Barrack Obama". Does he really? I promise that he is working toward that end. Mean while Bush is still a member of the Order of the CFR (council on Foreign Relation). These are the real power structures people, not the president elect. You have been bamboozled, you have been hood winked again. Wake up!

I cite yet another organization, according to Cooper " The JASON Society, or JASON Scholars, takes its name from the story of Jason and the Golden Fleece, and it is a branch of the Order of the Quest, one of the highest degrees in the Illuminati. The golden fleece takes on the role of truth to JASON members. Supposedly, Jason represents the search for the truth. Therefore the name JASON Society denotes a group of men who are engaged in a search for the truth. The name Jason is spelled with capital letters when used as the name of the JASON Society. Lower-case letters are never used when referring to this secret group. The name may even have a deeper meaning, as the name "Jason" and the Golden Fleece appear throughout history in relation to various other secret societies. In these instances the story

represents man (Jason) looking for himself (Golden Fleece). You Blacks, Hispanics and Native American people will not find salvation in politics! How can you embrace a government that it established by Satan unless you yourselves are in complacency with his system and under his authority? Yahawashi informed us prior to his departure that Satan would rule this world until his returns. **John 14: 30]** “Hereafter I will not talk much with you: for the prince of this world cometh, and hath nothing in me”. Clearly the prince of this world is Satan and Christ said he has nothing to do with him. Who is in control of the world? Satan! Let me guess you want proof? **Job 9:24** “The earth is given into the hand of the wicked: he covereth the faces of the judges thereof; if not, where, and who is he”? Who controls the earth? white people, like it or not. Have they cover the faces of the judges there of? Yes! They painted the angles white, Jesus White, and God white. This is not racism this is the truth, If you cannot stomach the truth move out of the way and let the truth go forth. Let me also point out that David Rockefeller & Zbigniew Brzezinsky are the founders of yet other luciferian organizations The Bilderbergers and the Trilateral Commission. This is your America; this is your apple pie! America has never been for you and never will, it does not matter the color of the puppet that sit in the seat of the whit house he is not the real power. Let us look in to scripture and see if we can find a parallel to America. **Amos 9: [8]** “Behold, the eyes of the Lord GOD are upon the sinful kingdom(America), and I will destroy it from off the face of the earth; saving that I will not utterly destroy the house of Jacob, saith the LORD”. America is mentioned throughout the scriptures yet she is not called America she is often called Egypt, Babylon Sodom but it all reflect back to America in symbolic terms. Black, Hispanic, and Native American men and women you must return to Yahawah(God Almighty). Obama will not save you. The county is in trouble and they need someplace to point the blame. If he will do anything it is to llore you people into a deeper sleep because of his skin color you can’t see reality you are blinded by false hope. We now have lying black preacher that has rapped our communities of finical maturity and has not restored it back into our communities calling Obama the messiah. These men are not called by Yah (God). Christianity is the doctrine of Satan. Religion within it self means to control. This has been one of the means that has been used to control our people after the plantations. I know this is not what you want to hear but I am not sent to say what you like I am sent to open your eyes and raise you from these mental and spiritual graves. Often we may not want to digest a medicine that can help us but if you reject this medicine you may die in your sickness. I look at you and see clearly that Ezekiel the 37 chapter alludes to you Black, Hispanic, and Native American people. We are the nation of Israel, these days are the times of our troubles Obama will not save you, **Jeremiah 30:7** “Alas! for that day is great, so that none is like it: it is even the time of Jacob's trouble; but he shall be saved out of it”. Only Yahawah can deliver us from the clutches of Lucifer. In my conclusion I suggest that you are sick if you follow this government, and that is according to Yahawah. Yahawashi (Jesus Christ) is bringing a new government because this government is not of Yah(God). If Christ is bringing a new government that means he have to destroy the existing government first. **Isaiah 9” 6** “For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder (Yahawashi is brining a new government upon his second coming) and his name shall be called Wonderful, Counseller, The mighty God, The everlasting Father, The Prince of Peace.

[7] Of the increase of his government and peace there shall be no end,(the government under the authority of Yah shall last forever) upon the throne of David, and upon his kingdom, to order it, and to establish it with judgment and with justice from henceforth even for ever..” You cannot be in compliance with Yahawah(God) and Lucifer, you cannot serve both. If Obama sit upon the thrown of Satan how can he represent Yahawah? You cannot not serve both. **Matthew 6:24**“ **No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon.**” You people are going to have to decide which side you are on. People are losing jobs in record numbers and it is going to get worst. You have your faith in a man therefore your destruction is eminent. Return to Yahawah and repent, tomorrow might be too late. America has been seen by the prophets of Yah. If you continue to be in compliance with this system you will fall with Babylon. Black, Hispanic, and Native American people must come together in unity and return to our god. Only this will save us.
