

Is the Bible reliable?

-----  
Is the Bible reliable?

The King James Bible, the Talmud and the . Apocrypha

The King James Bible has been greatly lied upon. Many naively suggested that the Bible is tampered with yet the so-called white man maintains it within his court system. Many denounce the Bible for in doing so they can live as they wish "in a pool of sin, wickedness and lies". Then there are those that say a man wrote the Bible. To all of those that fall in one of the above categories this chapter is for you. If the Bible is tampered with and has no reverence why does America use it within her court system? Because the wise of this world knows that The Bible is the true book of power containing the words of the Lord thy God. Why do they not use the Quran or the Egyptian Book of the Dead? Because they know that God inspired the Bible. Many say "man wrote the Bible". Ok, but Yahawah put the spirit in man to do so. Man also wrote your textbooks that you learn from in school yet few fem of you denounce it. You do not go and research the text book or lash doubt on it, why? You do not denounce those yet belittle the Bible to justify your wickedness. If we extract the word of Yah (the Bible) what is the standard by which we will live? The standard that most live by today is absolute wickedness.

We have men and women with reprobate minds men acting like women and vice versa. You cannot truly think that this is a righteous world with faggots and lesbians running all over the earth. With murder Growing rampant; drugs, sex and material lust is worshipped as Yah should be worshipped. Those of us that have been blessed by The Father knows the Bible condemns the madness of this world. The rulers of this world do the exact opposite of what Yahawah orders.

Now let us look closer at the King James Bible. And please let it be the original 1611 which includes the Apocrypha. "The King James Bible, published in 1611, was England's authorized version of the Bible translated from the original Hebrew and Greek languages into English at the request of King James I of England. At the time, other English Bibles existed, but King James did not like the most popular translation, the Geneva Bible, because he felt that some of the marginal notes encouraged disobedience to kings. So when a Puritan scholar, Dr. John Reynolds, suggested a new English translation of the Bible at a 1604 conference of bishops and theologians at Hampton Court Palace, King James readily agreed. By June of 1604, fifty-four of England's foremost scholars and linguists were formed into six panels to translate particular groups of Old Testament and New Testament books and the Apocrypha (the Apocrypha was dropped from later editions) into English. Even though King James agreed to the new Bible translation, and the translators dedicated their work "to the most high and mighty prince James," the King James Version was never officially recognized by the king, nor was it ever authorized as the only text permitted to be read in church. Despite this, it soon replaced both the Bishops' Bible and the Geneva Bible in popularity and became the leading text for private use.

King James Bible - The Translators  
Of the original 54 men chosen to translate the King James Bible, only 47 finished the more than seven-year project, which was governed by very strict rules of translation. The translators were scholarly men who were experts in the biblical languages, and they were convinced of the inerrancy and authority of Scripture. Dr. Henry M. Morris, President of the Institute for Creation Research, said of these men. "It is almost certain that no group of Bible scholars before or since has ever been as thoroughly fit for their task as was the King James Translation Team."

During the period of the Dark Ages which are also know as the Byzantine Empire a period when the so-called white man was uncivilized. You may question this because it came from a quote" black supremacist" unquote. King James I was born. During this time black Israelites ruled and dominated Europe. The Israelites Kings, Queens and Princesses ranged for about 1000 years, (Revelation 20:1-2). "And I saw an angel come down from heaven, having they key of the bottomless pit and a great chain in his hand. And he laid hold of the dragon (the so-called white man) that old serpent, which is the Devil, and Satan, and bound him a thousand years." King James was an Israelite king around which time the presence of the Israelite reality began to diminish beginning about May 1453. The Ottoman Turks (Edomites that mixed with a dark nation) overthrew Constantinople The capital city of the Byzantine Empire, which was named after Constantine the Great an Israelite (believe it or not). This region of the world today is known as Istanbul Turkey. Land of Angels from which England derived was still being ruled by black Israelites at this time.

After Queen Elizabeth's death in 1603 James I became king. He had formerly been king over Scotland for 37 years and known as James VI. After King James assumed the throne he authorized the translation of the Biblical scrolls from Hebrew to English. Forty seven (47) Israelites scholars performed this work. The Old testaments, New Testaments and Apocrypha were translated. This took place in Cambridge, Westminster, and oxford over a period of four years. These facts dispel the lies that King James wrote the Bible and added his personal opinions. (2nd Peter 1:20) "Knowing this first that no prophecy of the scripture is of any private interpretation."

Anthony Weldon perpetrated a lie that King James was homosexual. He being an enemy of King James in 1650. Twenty-five years after the king's death started this lie. Most people of the time ignored the lie but now many Christians have picked up the lie to defame the Bible to turn many away from following the word of Yahawah and create a modernized version of the Bible as we so many today pushing the doctrine of Lucifer. The Israelites reality came to an end in Europe around 1649 when Charles I a descendent of King James was beheaded by an Edomite named Oliver Cromwell.

The Heavenly Father gave the words of the scripture to Israel. (Psalms 68:11) "The Lord gave the word (Scripture) great was the company of those that published it." This is re affirmed in Jeremiah (30:1-2) "The Word (scriptures) that came to Jeremiah from the Lord, saying thus speaketh the Lord God of Israel, saying,

Write thee all the words that I have spoken unto thee in a book.” The reason that the Bible is in so many different languages today is because the children of Israel went into captivity and was dispersed throughout the earth and now it has been translated in many languages to enable Israel to read it and repent of their sins.

The Most High warned that if Israel did not keep the laws they would go into captivity, read Leviticus 26:13-19, 33. Hebrew was the original language of Israel but many spoke Greek after they became Hellenistic (Gentiles) thus many books of the New Testaments were written in Greek to allow Israel to return to their Yahawah. (Ephesians 2:11) “Wherefore remember, that ye being in time past Gentiles in the flesh, who are called Uncircumcision by that which is called circumcision in the flesh made by hands.” More proof that The Most High put the spirit in man to write the scriptures can be found in II Edras 14:37-48.

#### KING JAMES OWN STATEMENTS ON HOMOSEXUALITY

“King James book Basilicon Doron (the Kingly Gift) was written in 1599. It contained instructions to his son about how to properly carry out the responsibilities of the king. Included among his instructions is this statement: "there are some horrible crimes that ye are bound in conscience never to forgive: such as witchcraft, willful murder, incest and sodomy..."

In July of 1610 James was asked to pardon a number of criminals. He did pardon several on the list but refused to pardon those convicted of sodomy. He advised his son to stay away from "effeminate ones." James repeatedly referred to homosexuality as the "horrible crime!" These are indeed strange statements from someone given to homosexuality. James routinely listed homosexuality with witchcraft and murder just as the Bible does).

The King James Version translation of the Bible, which was sponsored by King James does not in any way weaken the Biblical statements about homosexuality. Modern English translations like the RSV and the NIV weaken or delete Biblical statements condemning homosexuality. The King James Bible is clear in reflecting the Bibles' strong statements condemning homosexuality” (The Real Story of King James I, by Phil Stringer)

#### The Talmud

The Talmud is writings of men not inspired by Yahawah. Jeremiah tells us that the Pharisees, Sadducees and Scribes wrote a lot of lies in the Talmud following the letter and not the spirit therefore they did not understand the coming of Christ. (Jeremiah 8:8) “How do ye say, we are wise, and the law of the Lord is with us? Lo, certainly in vain made he it; the pen of the scribes is in vain.” Those that follow the Talmud so-called white convert Jews despise and envy and detest the real Israelites quote black supremist” unquote, therefore printed a lot of lies in the Talmud and tell the world that it is the word of Yahawah. It is the world of their god which is not the YHWH of Israel. They constructed lies to deceive the world. (Deuteronomy 4:2) “Ye shall not add unto the word which I command you, neither shall ye diminish ought from it, that ye may keep the commandments of the Lord your God which I command you”. This wicked world envy and hates the so-called Black Israelites, and will do anything to prevent them from knowing that they are the chosen people. I thank Yahawah for putting the spirit of truth in me to reveal to my people who they are and for revealing to you so-called white people that you will be rewarded for your lies and hate, you shall not go unpunished. Please do not tell me that I am a racist when you have rapped, robbed and murdered my people for all of these years and now that the God of Israel is waking up his people in these last days you want us to be passive. You can construct nuclear weapons but cannot discern the signs of the time because you are not of Yahawah so-called white man. Black day is coming. Yahawashi (Jesus) a black revolutionary messiah is returning for war. .

#### The Apocrypha

To dispel this ignorance please allow me to briefly educate. The Books commonly called the Apocrypha consist of 14 books originally attached to the Greek Old Testament that were obviously not in the Hebrew-written Bible. Why? Because they were "first-written" in the Greek language. Yet they were without a doubt considered to be scriptures and used as such by the Israelites of the Dispersion (Israelites living in foreign countries) at the time of Yahawashi (Christ). Approximately 60 years after the crucifixion of Yahawashi, a group of deceptive Rabbi's (there were survivors of the Roman annihilation of Jerusalem) met at Jamnia and canonized a Hebrew scripture specifically devoid of Greek writings. These hypocrites dispelled the books. Any work of scripture not originally written in Hebrew was discarded as unclean by these unholy men of Satan.

This codification of the Hebrew Bible by the this wicked Kabala of Rabbi's diminished for the Israelites the authority, the books we know call the apocryphal, but also the popular Greek Old Testament itself that the dispersed Israelites had been using for the previous 300 years. One should note that such books had earlier been authorized for publication by the Sanhedrin in Jerusalem for use by the Israelites of the Dispersion whose language was primarily Greek. After being colonized by the Greek so long many of u lost our lingo as it is here in America. This is why Yahawashi (Jesus) is quoting Isaiah, that is, He would speak to the Israelite people in a foreign language. Obviously, that 'foreign' language was Greek my friends. You do error not knowing the scriptures or the power of Yah. Apocrypha “is a Greek word meaning things hidden”

Let’s examine the research of Dr. Phil Stringer again.

“There is no record of anyone accusing King James of homosexual behavior during his lifetime. If you read most modern historians, you would believe that King James's homosexuality was open and widely recognized but this is far

from the truth. There are absolutely no contemporary accounts alleging homosexuality on King James's part though there are contemporary accounts praising him for his moral virtue.

Sir Anthony Welden was an officer in the royal household of King James. He was knighted by King James in 1617. He was eventually dismissed from the royal court by King James. He vowed to get revenge!

He supported the anti-monarchy forces during the English Civil War. Twenty-five years after the death of King James, (one year after the execution of Charles I, King James's son) Welden made the first accusations of homosexuality against King James. His statements were widely rejected at the time because there were still too many living people who had known King James personally and who dismissed the allegations as ridiculous.

Disgruntled courtiers and political opponents picked up the allegations against King James and began to use innuendo to hurt his reputation. While not accusing him directly of homosexuality, they tried to create questions about his loyalties to his close friends and associates. These seventeenth century critics seem to fall into two groups. Some had their political and personal ambitions thwarted by King James. Others opposed his policy of uniting Scotland and England into one kingdom. All of these allegations come from people with a strong bias against James and they all were made a long time after his death. Some historians began to repeat these attacks against King James without investigation.

Soon vague allegations, rumor, innuendo and speculations were reported as historical fact. While some historians have sifted through the rumors

to get the facts, many just repeated the statements of previous historians without any examination.

In the eighteenth century the primary reporters of King James's homosexuality, were those who opposed the union of Great Britain and also Roman Catholics? who resented the support that James gave Protestants? In the twentieth century two different groups have clung to the allegations about King James and propagated them in defiance of the facts.

Homosexual activists have been determined to claim King James as one of their own. These are the same activists who claim that Abraham Lincoln, William Shakespeare, the Biblical King David and Jonathan and even Jesus Christ were really homosexuals. Historical facts mean nothing to these people. They care only about their political and social agenda. It is a travesty when evangelicals quote their books as credible sources. The second group which refuses to be persuaded by the facts about King James are those who wish to use King James's supposed homosexuality to discredit the King James Bible."

In my conclusion I will say that the Bible is the word of Yahawah and not man. If that is your only excuse for not keeping God's laws then woe is you upon the return of the Lord. If you are going to read a translation let it be a King James 1611. Shalom.
